

The **HOT PEPPER JAM**

WHISKEY RIVER, GLENVIEW IL, WEDNESDAYS 8:00-11:30 pm

The Hot Pepper Jam is dedicated to providing a welcoming and collegial space for the meaningful collaboration of musicians of all skill levels.

JAM RULES

1. Signups begin at 7:30.
2. The house band performs a set from 8:00–8:30.
3. Place your name in an available slot for your specific instrument.
4. All sets are limited to **3 songs or twenty minutes**, whichever comes first. Please end your set when your allotted time is up.
5. Due to the large number of jammers, especially if you are a multi-instrumentalist, we **CAN NOT** guarantee that you'll be able to perform in more than one set.
6. Bring your own guitar, bass, drumsticks, or other instrument. We will do whatever we can to support your individual instrument needs but may not be able to accommodate all. See a house band member/sound person with any questions.
7. Professional backline is provided. As such, **no outside amplifiers, pedalboards, or keyboards allowed** (as their setup takes up too much valuable jam time).
8. We encourage variety and experimentation: **try not to bring/perform the same song, or set of songs, each week**. Your listeners will appreciate it!
9. We reserve the right to, at any time, replace, substitute, or reorder any jammer or group on the signup list, or on stage, for the good of the jam.
10. Disrespecting gear, other jammers, house band members, playing too loudly, over-intoxication, or any other douchebaggery, will **not be tolerated**.

We encourage you to partake of the food and beverages the Whiskey River Bar & Grill provides. It is their sustained financial viability that allows us to continue the jam. Please tip the servers/bartenders generously! And, tips for the house band are always appreciated. We are working hard to support YOUR ENJOYMENT!

Notice: *Nearly all Hot Pepper Jam performances are video and audio recorded and posted and/or streamed on the internet. Your participation implies your consent to such.*
